

We will be using a bot to buy & sell the shitcoin in less than a sec👉.

Click on the link to set up the bot👇👇

<http://bit.ly/4a5kr66>

Set it up, copy out ur bonkbot wallet address and go ur bybit and fund it with at least \$65 worth of solana.(video on how to go about it👉)

This way u can track and see all the shitcoin assets u bought, u will see it increasing or decreasing.

So wen boss drop a shitcoin signal, u quickly go on BONKbot with the link here in the group and buy it. Once u have bought it, u will see it reflecting in your solfare wallet asap. (Video on how to go about it )

Hope this explains it better.

Now let's go print the dollars 🤪🤪.
